

**ESA - On the Wings of Love  
Installation of Donna Dawson  
Written by Florence Ellis  
Installing officers were Charlene Hansen & Florence Ellis**

Just as mankind looks forward to the sunrise, bringing a new and unblemished day, we in ESA look forward with anticipation to a new year: A change in leadership and a new set of goals.

The year just closing was one where each member was inspired to be "ESA SUPER STARS". Listening to the accomplishments recorded this weekend, one realizes a truly significant chapter of the Kansas State Council is closing.

Tonight we look forward to a new year in "ESA - ON THE WINGS OF LOVE" and a renewed dedication to our leadership.

At earlier meetings this spring, the districts elected their Chairman. To each of these Chairmen falls the responsibility of serving as a representative for their district to the Kansas State Council. Their duty is to keep the lines of communication open as they act as a link between the State Council and the membership. It is our pleasure to present the newly elected District Chairmen. (Each District Chairman will come forward as they are introduced)

(Members of Donnas' chapter, Gamma Omicron, led by her daughter Debbie, will form an honor guard.) It is with great pride that we present your 1992-93 officers for State Council, Epsilon Sigma Alpha.

Will the retiring president please step forward? Margaret, your star has been shining brightly this year as you led the way. As a result of your leadership, the heavens are now full of Twinkling "ESA Super Stars".

You have represented the Kansas State Council in the best possible manner and we salute you on a job well done. Your responsibilities are far from over. Your wealth of knowledge and expertise is still needed. You will be called on many times by your president to assist in furthering the growth and understanding of this council. The Disaster Fund will be in your keeping. Again, accept our sincere thanks for serving the Kansas State Council as our president, providing us with another successful year under your thoughtful and inspiring leadership.

President Donna, please step forward...Going along with your theme, "ESA ON THE WINGS OF LOVE", your daughters Angie, Debbie and Sherry have chosen this beautiful song as their dedication to you. They have requested that Danny sing "THE WIND BENEATH MY WINGS".

Donna your theme reveals one of your finest qualities. It is a quality of the heart as well as the head. It is a warmth, and enthusiasm that reaches out and draws people together with love and understanding.

The transformation of a fuzzy caterpillar to a beautifully colored butterfly is nothing short of a miracle. It is like the miracle of ESA that has brought you from a member to a wonderful leader.

As you go about your work this year, you will have many tasks of love, and giving of gifts of the heart. Aiming at higher goals will demand your best - so make the

best of the honor that is yours. Donna because of your dedicated leadership, the Kansas State Council now bestows upon you the highest honor of which it is capable, that of the Kansas State Council President. Go forth and lead this Council with wisdom, fairness and love.

New Officers: In offering our personal congratulations, we must remind you of the responsibilities that go with the high honor you have received tonight. Your sisters have entrusted the welfare of the council and the membership to your care. This is no small trust. You must remember that you are our leaders, our ambassadors, our spokesmen.

You must look to the membership for direction, for this is our organization as well as yours. Are you willing to accept this charge? If so, in unison answer: "I AM"

Sisters: Your officers stand before you representing exquisitely colored Butterflies ready to spread their "ESA Wings of Love" as they travel about the State. And now as we listen to Sherry and Danny sing "UP WHERE WE BELONG" Let us give our pledge of assistance to Donna and her officers as we wish them - A year of love and outstanding success.

Ladies and Gentlemen your 1992-1993 Officers of the Kansas State Council!
