Gamma Beta is very active in the Pratt Community!

Chapter Projects

1. Raising money for the Hospital's new digital mammogram machine.
2. They support and donate to different charities each month: Hospice, Food bank, Humane Society, Christmas Child project, and the Church of Christ clothing stores for the needy.

Their annual Christmas craft show helps to raise money for all their projects plus the regular donations to Heartspring, St. Jude, Kansas Care & Share and the Disaster Fund.

We like to have FUN – We recently toured the new (HUGE) BTI building North of Pratt. Debbie Polok was driving so we were WORRIED! In the buggy picture, it's top to bottom, left to right: Linda Broce, Karen Riffey (new pledge), Cherie Riffey (new pledge), Susan Teske. Bottom: Lisa Bergner, Karlene Roberts, Deb Polok, and Michelle Domsch. Two of our new pledges are mother and daughter - the Riffeys. How cool is that?
