2010-2011 ESA YEAR

**Heartspring Prom/Parents Weekend 2011**  
**By Phyllis Simmons, 2<sup>nd</sup> VP/Philanthropic Chairman**

Heartspring Prom was a wonderful event again this year. Kansas Sisters decorated the gym with a Luau Theme and several members dressed the occasion with their luau shirts and dresses. Lei's were provided to the students and their parents and were a big hit but as always the biggest hit of the evening were the cookies. Students and their parents as well as our Kansas Sisters danced to the music provided by Debbie Koch, Delta Chi. Thanks to all who helped decorate, clean up and donated cookies. Because of you the kids and the parents at Heartspring will have special memories of Prom 2011.

It doesn't take much to see how much fun these kids have at ESA events. AND ... every prom, no matter who attends it has a "character". Kids are kids – no matter where you find them. They are our JOY!

Next May ... how about some of your chapter members coming to Wichita to participate in this great ESA event for the students at Heartspring? Make a day of it - decorating - eating out - and attending Prom at Heartspring. What FUN you will have!!

**WE DID!! AND WE HAD A BLAST DANCIN WITH THE KIDS!**
