

Adopt-A-Child

- To sign up for Adopt-A-Child, please fill out the form provided and turn in to Suzanne Walenta-Baumann or mail to Sherry McDavitt at Heartspring no later than September 30. You will keep the child you have now unless you request a new one. **To insure that every eligible child will be covered, please send notification if you will not be able to continue participation for the coming year.**
- Your chapter will receive a student profile that will include information such as the child's first name, home state, disability, interests, clothing size, age and birthday. An updated student profile will be sent if you are keeping the same child.
- You may send greeting cards, gift cards, small gifts or snack items on special occasions or anytime you wish. **Please do not send cash or checks.**
- An acknowledgement with a picture will be sent by email as soon as possible after the gift is delivered to your child. As much communication as possible will take place by email. If there is no email address available, the correspondence will be sent in the mail.
