

Day of Love - Heartspring

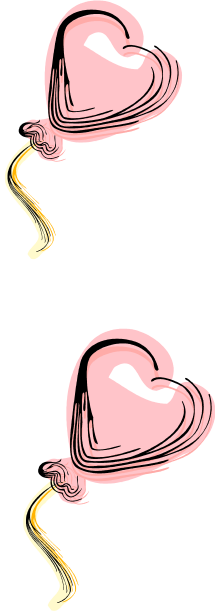

2010-2011 ESA YEAR

*Let Your  
Life  
Speak!*

We came to Party at Heartspring!

Phyllis started us off with decorations for the gym. Everyone pitched in to make the party atmosphere. We were all busy preparing for the Day of Love!

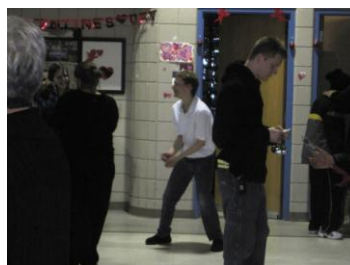

Angie and Rita try out the new photo area and decorations. It worked!!

The Heartspring students arrived for the DJ Dance!

They danced and danced!

Another successful Day of Love.

A great time was had by all the students that attended and the pictures plainly show that ESA members had a lot of fun also. Next year we hope you will plan to help with the Day of Love for the Students at Heartspring.
