Kansas will host the International Convention this July

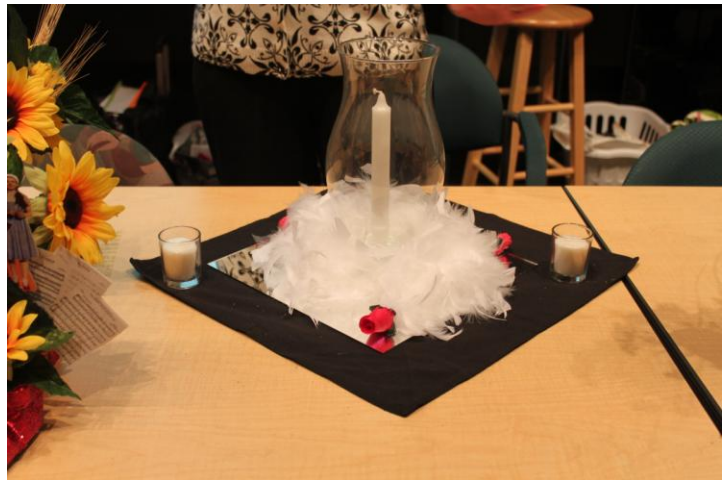

Working on the IC Convention - Committees show and vote on the convention decorations for July.

(Left) Lisa West and Melody Wade present the Mixer decorations - A ruby red slipper and following the Yellow Brick Road will highlight the Kansas Sunflowers. (Right) Judy Ahrens presented "Dancin in the Streets" for the Awards Luncheon.

(Left) Charmaign Nichols and Joan Bourn present the decorations for the PICPA Luncheon and Charlotte Combs (Center) displays the decorations for the PICPA Invitational Luncheon. (Right) Terri Clark, Chi Epsilon shows what we can do to use accents at the registration table. It is sure that our Sunflower Sernade will have sunflowers and marks of Kansas everywhere.

Anna Kitchen, Eta Theta, is the Convention Decorations Chairman. She shows what we can do for the Saturday Night Banquet to tie the theme of the Incoming International President into the process.

(Left) Charmaign, Joan, and Crystal present their ideas and provide us with a little humor. (Right) We listen as our presentations are made, but some of these gals sure do look serious!! We still have a lot of work ahead as we hope to plan the best IC convention ever. This will be the first time Kansas has had the opportunity to host an International Convention.
