

Festival of Trees - Christmas

2010-2011 ESA YEAR

*Let Your
Life
Speak!*

The Festival of Trees host many activities and events to raise money for Goodwill Industries. (left) Clowns are everywhere entertaining children from balloons to a letter for Santa. (right) Numerous Christmas trees are decorated and donated for auction to raise funds.

ESA decorates a "President's Tree" for sale in the tree auction. This year it was a Ginger Bread Tree.

event

As Pat Josey, Past State President, demonstrates there are many ways to spend your money at the Festival of Trees. Here she is with her silent auction purchases.

It's been a great year as your Goodwill Chair. The Festival of Trees was a delight. Our state ESA tree brought \$600 in the silent auction. The Sweet Shoppe brought in \$1252.00 and the Grand total for the event was \$74,435.00. A big thank you goes out to all our members who helped in any way with this event.
