

PARENT'S WEEKEND AND PROM NIGHT AT HEARTSPRING

The Kansas State Council will help at Heartspring with the Parent's weekend each spring on the campus. One of the most enjoyable activities is hosting the annual Prom night for the children at Heartspring. What young person doesn't remember their prom night? Fancy dresses, corsages, and dancing the night away are all a part of their Prom Night experiences. ESA helps to build those lasting memories.

Heartspring Parent's Weekend and Prom May - 12, 2008 As Always ESA shows up to help with the festivities at Heartspring

Parents from all over the United States show up for Parent's Weekend at Heartspring. The ESA State President, Joy Thornbrugh, husband Terri, and Sharon Groff, traveled to Heartspring

on 5-10-08 to help with the cookout for parents' weekend. Flipping burgers and enjoying the fellowship that is so prevalent at Heartspring makes the hard work a lot of fun! (R)Sharon and Joy flip burgers for the parents. (L)Terry, like so many ESA husbands found himself in the middle of all the ESA activities. We appreciate our Men of ESA very much and couldn't do a lot of the things we do without them there to support us.

ESA Shows up to decorate for the Heartspring Prom Night

ESA members who decorated for Prom this May were Pat Josey, Kim Kummer, Lisa Campbell, Anna Kitchen, Charlotte Combs, Sherry Marlow, Melody, and Linda Schmidt.

It's Prom Night at Heartspring and there is Magic in the Air! Each year Heartspring and ESA sponsors Prom night for the students.

Getting decked out in a pretty dress and suit and dancing the night away is fun for all the students at Heartspring & ESA as well!

It was a wonderful evening and a night to remember!
